An officer returned from the wars, who was at a social meeting last evening, was boasting excessively of his own personal valor and prowess. Just as the wine bottle came round to him, he entered on rather a tedious narrative of an attack made on him at Buena Vista by some Mexican soldiers, three of whom he left dead at his feet, two of whom fell wounded, and the remaining two of whom, as an Irishman would say, ran away. Dr. Townsend's Sarsaparilla. THE MOST EXTRAORDINARY MEDICINE IN the world.—This extract is put up in quart bottles it is six times cheaper, pleasanter, and warranted superior to any sold. It cures diseases without voniting purging, s ckening, or debilitating the patient. The great beauty and superiority of this Sarsaparilla over all other remedies is, while it eradicates disease, it invigorates the body. T HAS PERFORMED MORE THAN 15,000 CURES THIS YEAR 1,000 cures of Rheumatism

1.000 cures of Dyspepsia : 2.500 cures of general debility, and want of nervous

Ulcers, Scrofula, Erysipelas, Salt Rheum, Pimples on the face, &c. &c., together with numerous cases consumption, Liver Complaint, Spinal Affections, &c. This, we are aware, must appear incredible, but we have letters from physicians and our Agents from all parts of the United States, informing us of extraordinary cures. R. Van Buskirk, Esq., one of the most respectable druggists in Newark, New Jersey, informs us that he can refer to more than one hundred and fifty cases in that place alone. There are thousands of cases in the City of New York, which we will refer to with pleasure, and to men of character well known. UNITED STATES OFFICER .- Cap', G. W. McLean, men ber of the New Jersey Legislature, late of the United States Navy, has kindly sent us the following certificate. It tells its own story :

Dr. Townsend—Sir: Some time since you requested my opinion of the virtues of your compound Syrop of Sarsaparilla; I am now prepared to give it. PETER BROWN, 47 Little-street, Brooklyn. GREAT FEMALE MEDICINE.

Dr. Townsend's Sarsaparilla is sovereign and speedy ure for incipient consumption, barrenness, leucorrhæ or whites, obstructed or difficult menstruation, incom tinence of urine, or involuntary discharge thereof, and for the general prostration of the system-no matter whether the result of the inherent causes, or produced y irregularity, illuess or accident. Nothing can be more surprising than its invigorating effects upon the human frame. Persons all weakness and lassitude before taking it, at once become robust and full of energy under its influence. It immediately unteracts the nervelessness of the female frame which is the great cause of barrenness. It will not be expected of us, in cases of so delicate : nature, to exhibit certificates of cures performed, but we can assure the afflicted that hundreds of cases have been reported to us. Several cases where families have been without children, after using a few bottles of this invaluable medicine, have been blessed with healthy
